FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1780 - SB 1866

March 25, 2011

SUMMARY OF BILL: Amends the Public Acts of 2011 (SB25/HB51) by requiring that all meetings of the transition planning commission shall be under the statutory open meeting provisions.

ESTIMATED FISCAL IMPACT:

**Increase Local Expenditures - \$2,000/FY11-12
\$2,000/FY12-13
\$2,000/FY13-14**

Assumptions:

- Meeting notices will be published in the local paper. According to the Comptroller, the *Memphis Commercial Appeal* charges \$10 per line with about four words per line. A review of a standard meeting notice in another paper showed 17 lines. Notice for one meeting will increase local expenditures \$170 (\$10 per line x 17 lines).
- At least one meeting per month each year that the transition planning committee is in existence. Cost for a full year will be \$2,040 (170 x 12).
- The planning commission will meet all three years until the transfer of power is effectuated. All costs for the transition planning commission will be paid for by combined funding from Shelby County, the City of Memphis, and the Memphis City and Shelby County local education agencies.
